

IADCCT sponsored inservice at Laguna Clay company

31 July 2009

10:00AM-1:00PM

It was brought to my attention that IADCCT has not officially sponsored an inservice for a number of years. Thanks to Pat Lackey and Carol Schober, manager of Laguna Clay, you'll have the opportunity to take a tour of the Laguna facilities, and be treated to a demo and hands on with paper clay.

There is a maximum of 30 people for this event. The extra bonus is that you'll receive a point of Educational credit from the Educational Showcase!!

Laguna Clay Company is located in City of Industry, California.

Sign up early!!
