IADCCT

Is dedicated to providing our members with information and services that will assist in achieving their goals within the ceramic industry. We offer excellent educational conferences presenting essential information on the latest products and business techniques.

Through annual national conferences, regional meetings and area chapter activities IADCCT provides a significant forum for discussion of concepts and innovations that impact our industry. By networking with our peers we create more awareness of ceramics as a hobby, a business and an art form. Collectively we can influence the industry and expose more students and consumers to the fired arts....The more members we have the stronger and more influential we will be.

For more information including pictures of past events, local chapters in your area, new upcoming events, convention news, association contacts, helpful hints, ceramic site links and more.... INCLUDING FREE TECHNIQUES!

The Benefits:

★ Annual meeting and convention, designed to keep you abreast of the latest in techniques, new products and industry trends including shared techniques from fellow IADCCT members.

★ Regional education programs that bring the advantages of IADCCT closer to home.

★ Educational Showcase Programs. Special programs designed to benefit our members and to promote ceramics:

“In-Service” Programs are scheduled throughout the country. These are hosted by manufacturer’s. Distributors or ceramic related businesses. These on-sight presentations give awareness of their facilities, products and their contributions to the ceramic industry.

“Ceramic Retreat”, designed for four or more members sharing ceramic expertise. Each one Teach one!

“Service Projects for all Organizations” This program introduces individuals to the world of ceramics through our members who volunteer their time and skills working with service groups and organizations.

★ Special Recognition is given to those members who participate in the above programs by receiving certificates and Educational Showcase pins.

★ Local chapters are available in many areas to provide easy access to nearby members who are actively engaged in ceramics. Many have monthly meetings consisting of a business portion and an educational program.

★ Quarterly newsletter available via email or online to keep you on top of what is happening with other members and all IADCCT scheduled functions. Additional charge for hard copy requests.

★ Membership directory-memberships validated by January 31st of each year are listed in an annual directory.

★ Membership card and association pin.

★ Continuing members receive annually a membership card along with a membership charm.

★ Exclusive access to IADCCT Member Zone on our website featuring the latest news updates, President communiqués, past newsletter issues, association documents, and free techniques.
